French Oak is prized for its tannin content, which reacts beautifully to custom coloring yielding colors that are sometimes not possible to attain on American Oak.

Old Growth French Oak Wall Paneling

Old Growth French Oak is characterized as having a tight grain pattern and yields planks with beautiful "cathedral" grain in the center of each plank.

Old Growth Collection

Any selection from our genuine French oak products will continue the enduring traditions of France's sustainable forests. France has been home to sustainable forest management for centuries, which means that French oak has a noteworthy reputation as a certified sustainable hardwood.

Single Origin French Oak Floorboards - SOLID WHITE OAK

Your business comes with an inherited promise of preservation that the forests of France are plentiful for years to come. Every tree cut down is replaced with at least one tree. We invite you to include yourself in the contemporary chapter of this incredible French history. Be part of a story that is inspired by the past and will be secured for future generations.

SUSTAINABILITY

French Forests are managed so that as trees are felled they are replaced with seedlings that eventually grow into mature trees.

CHAIN OF CUSTODY

A credible certification system that tracks and documents lumber from the forest through all phases of ownership.

CERTIFIED PEFC

Sustainable forest management through forest certification. The world's largest forest certification system.

SINGLE ORIGIN

Single origin product ensures consistency of quality and the age of the trees are over 120 years old.

Reclaimed Table Collection

The story of our Handmade Reclaimed Oak Tables is really the story of how everything old became new again...of how a European craftsman applied old world values and experience to produce fine French oak furniture.

A Unique Story is Told in Every Reclaimed Table

The table collection is designed in the style of incorporating the old with the new and letting unique pieces complement one another and stand together, rather than creating a look where in every piece "matches".

Reclaimed French Oak Tables

The collection is meticulously crafted by local artisans using selected oak planks that emphasize the patina and showcase the oak grain beautifully.

Handmade Tables Crafted by Time

This Reclaimed French oak table will be the center of attention at any dinner party. Supported by a hand made wood base this table would be a welcome addition to any home.

With time comes Character

Every Reclaimed French Oak table is hand made by traditional artisans who start with the finest materials, Reclaimed French oak. A variety of lengths are available from 8 - 12 foot

Custom Made to Suit

The collection captured the essence of European sophistication and created a collection that is both stylish and affordable. Precision cut parquetry, slimline straight rails, finely shaped or tapered legs and beautifully finished timber.
